Lifetime Furniture "More than a name"

Mayer & Co. for years have maintained a standard of excellence in furniture for the protection of their customers. There are many lines of furniture now sold that do not measure up to this standard. Consequently you will not find them sold here.

The trade-mark "Lifetime Furniture" is more than a convenient trade name. Through our policy of careful buying it has become an accomplished fact.

You can buy Lifetime Furniture with confidence, knowing that it will live up to its name, for it is "built to last your children's children."
